

Affordable Housing Workshop

March 25, 2010 | 9:00 am – 3:00 pm

Truliant Federal Credit Union- Pavilion

3200 Truliant Way, Winston Salem, NC 27103

The Center for Homeownership will host an Affordable Housing Workshop On March 25, 2010, for Lenders and Real Estate Agents. Representatives from the following organizations will be on hand to provide an overview of their specific program requirements.

- U.S. Department of Housing and Urban Development (HUD)
- Forsyth County Department of Housing
- City of Winston-Salem Housing/Neighborhood Development Department
- Housing Authority of Winston-Salem – Homeownership Voucher Program
- USDA Rural Development
- New Century-Individual Development Account (IDA Program)
- Partners for Homeownership
- Self Help Credit Union

 Come and learn up-to-date information on all of these organizations and their programs! Even if you have taken this course in the past you should sign up again. Our programs and industry is changing daily. Come and get the latest information to share with your clients. 

The purpose of this workshop is to provide industry professionals with up-to-date information on mortgage products and down payment assistance programs available in Winston-Salem/Forsyth County for first time and/or low-to-moderate income individuals and families. If you are unable to attend, please share this workshop information with someone in your organization that may benefit from this opportunity. If you have further questions, please contact Dee Hile at (336)773-0286 ext 101 or via e-mail dhile@centerforhomeownership.org.

The Center for HomeOwnership is a full service agency dedicated to turning dreams of homeownership into reality. The center guides potential homeowners through the homeownership process and provides education, information on financing options, community housing programs and homes that are available. It works with clients to overcome obstacles to homeownership and to ease the transition from renting to owning a home.

The center is a place where both potential homeowners and businesses can access services under one roof.
