

Wanna learn how technology can help you sell more real estate?

Feel like you need you're behind with technology? Looking for a way to catch up?

Try out our new service called RETechnology.com. It's a **FREE** Triad MLS member benefit that provides you with a One Stop Shop for technology information, education and selection. Others have to pay \$149 for this valuable service, but we have contracted with RETechnology.com on your behalf so you can take advantage of this tool FREE.

This site has been designed for agents who do not "get up in the morning" to learn about technology. It's designed to help you get quick answers and help you continue to learn about technology with quick tips and easy to read articles.

Here's what RETechnology.com provides for you:

- The most comprehensive and user-friendly method for learning about how to sell more real estate using technology effectively
- Learn how to build stronger client relationships automatically using technology
- Learn the latest about successful ways to use social media in real estate
- Learn from fellow REALTORS® about the technology tools they find most valuable
- Review the latest tools explained in plain English, not GEEK SPEAK
- Help get over your fear of technology
- Read daily quick tips and articles about how to use technology most cost-effectively

Here's what one satisfied RETechnology.com user said:

"RETechnology is the most relevant way to research technology for our industry. You get more specific and objective information here than you ever would on Google or Yahoo!"

As a top producing agent and trainer at MRED MLS, I highly recommend RETechnology.com to all of my trainees."
