Energize the Future of the Real Estate Industry

Young professionals are the future of the real estate business. Are you an innovative, forward-thinking REALTOR®? Are you open to change and willing to share your expertise? The WSRAR Young Professionals Network is for you. There is no age limit and no charge. Any REALTOR® who thinks he or she would benefit from membership is welcome. REALTOR® Magazine launched the Young Professionals Network in 2006 as a way to help the younger generation of REALTORS® build a stronger link with the magazine and the real estate industry, in general. Through national networking events, a lively blog, and an information-packed Web site, REALTOR® Magazine's Young Professionals Network gives its members the tools they need to advance their careers — and have fun in the process!

WSRAR needs 15 members to start a local YPN Chapter. If you are interested, please attend this informational meeting on Monday, May 17th.

Please RSVP to Glenda McCormick at gmccormick@wsrar.com or 768-5560
